## PRACTICE AREAS

**AOS Lawyers, Tax Advisors and Auditors** is a professional services firm linked to the world of business.

We have extensive experience in the provision of services, being one of our priorities the proximity to the client trying to mitigate any uncertainty that generates concern.

We also have an international vocation trying to accompany our clients in their external projection, and in the solution of issues that arise beyond our borders.

We are partners of the network of professional offices UC&CS GLOBAL, which has a network of 125 affiliated or allied firms, 205 offices in 40 countries and more than 2,520 professionals run by 271 partners, serving more than 6,700 clients worldwide.

### Legal advice

#### CORPORATE LAW

We currently perform the duties of secretary of the board of directors and of the General Meeting of partners and shareholders, of various groups of companies.

#### COMMERCIAL LAW

We advise companies on the different corporate aspects that concern them, in terms of restructuring, mergers and others. Also, in design and implementation of Corporate Criminal Compliance or for compliance with the Data Protection Law (LOPD).

#### DISPUTE RESOLUTION

After a previous attempt at a peaceful solution, we advise the client in the beginning and defense of the judicial action until its conclusion, acting and defending their interests before any judicial and arbitral forum.

#### BANKRUPTCY LAW

Our experience comes from legal advice in the presentation of bankruptcy proceedings and assistance during the entire bankruptcy process.

#### ADMINISTRATIVE LAW

The work we develop extends to various branches of administrative law and sanctioning administrative law, in the field of urban planning, environment, consumption, representing our clients before the different areas of public administration.

#### EMPLOYMENT LAW

We advise our clients in relation to the labor discipline linked to their activity and business organization. Restructuring processes, employment regulation files, negotiation with trade unions, etc.

### Audit

We provide auditing services to companies. We are responsible for processing transparency and building trust to third parties that support the financial statements of a company. It is convenient to request an auditor to review the annual accounts of the entity regardless of that entity is obliged or there is no audit of its financial statements, since the financial entities themselves, investors, suppliers, customers and the workers themselves request to audit their accounts to build trust and know the current situation of your company, and consolidation financial statements.

Our services include the audit of financial statements of private and public companies, Due diligence, Training in International Financial Reporting Standards (IFRS), limited reviews of financial statements and previously agreed audit procedures.
